SAGE GROUSE: Icon of the West

**Photographs by Noppadol
Paothong,
Written by Kathy Love**

Value - \$60

Noppadol Paothong is a nature/conservation photographer who focuses on documenting rare and endangered species. For over a decade, he has worked primarily on grassland grouse and their fragile habitat.

He is a staff wildlife photographer with the Missouri Department of Conservation and contributes his images and stories to its high quality publication, Missouri Conservationist, Xplor, and many others. Noppadol is a long-time friend of Audubon in Nebraska and across the country.
