

Pollinator Package

Items Donated by Monarch Gardens, LLC, Prairie Legacy Inc., Xerces Society, Sanders Produce, Margaret Berry

- Pollinator garden/yard design consult with Ben Vogt, Monarch Gardens, LLC
- Pollinator seed mix from Kay Kottas, Prairie Legacy
- Two pollinator books from the Xerces Society
- Art piece from Margaret Berry
- Bee & butterfly shelters
- Two jars local honey from Saunders Produce

Total Value \$ 400

Put your pollinator plan into action by starting with a landscape design consult with Monarch Gardens, LLC. In a one-hour meeting (valued at \$150), we'll walk your landscape to identify sustainable strategies to help pollinators, as well as beneficial native plants and low maintenance strategies. Beyond a consult, you might also decide to have us work up a pollinator habitat design for an additional fee. Let's make your home a bee and butterfly refuge!
