

# Wooden Vase and One-Hour Consulting with Lorele Lesoing

**Donated by Lorele Lesoing, Lee Douglas Interiors**

Lorele Lesoing has donated this beautiful, decorative wooden vase. Crafted and finished for lifelong use, the 22-inch tall vase will be perfect in any setting. This beautiful piece is accompanied by a certificate for one hour of professional consulting provided by Lorele Lesoing, owner of Lee Douglas Interiors. Lorele's services and her 25+ years of experience are in high demand around Nebraska. Her professional eye will bring new life to your home, and her talents will provide you enjoyment for years to come.

Lee Douglas Interiors, founded in 1989 in Lincoln, Neb., is a full service commercial and residential design firm servicing clients, builders, and outside designers, and offers a retail storefront to the public, stocking furniture, accessories, and artwork.

Their faux finish and mural division employs artists who specialize in exceptional wall textures, furniture and cabinet finishing, murals, and custom original artwork.

With over 65 combined years of experience, Lee Douglas Interiors designers' passion is to assist in creating an environment that reflects their clients' lifestyle and personal taste. They believe in a clever approach toward functional design.
