

Help Protect Birds and the Places They Need, Today and Tomorrow

Become a volunteer at Spring Creek Prairie Audubon Center!

Who We Are and What We Do

WE COULDN'T DO IT WITHOUT VOLUNTEERS!

Here at SCPAC, we rely heavily on the support of our incredible volunteer corps. Without them, the 1,160 acres of Spring Creek Prairie would not be the beautiful, welcoming, educational, and engaging place it is.

Our volunteers have engaged thousands of people in our mission to conserve the tallgrass prairie. Some contribute their time once or twice a week, others once or twice a year. They maintain trails and gardens, assist with land management duties, lead nature walks, serve on our stewardship board and committees, welcome visitors, and help in many other ways. Without this dedicated group, we would not be able to offer or maintain the quality and quantity of our conservation and education programs.

Contact us if you would like to learn more about being a prairie volunteer! 402-797-2301 or scp@audubon.org.

Volunteer Opportunities

JUST A FEW WAYS YOU CAN HELP

Conservation Opportunities:

- Assist with prescribed prairie burns
- Help control invasive plants
- Harvest seeds for prairie restoration
- Survey prairie bird and pollinator populations

Education Opportunities:

- Lead schoolchildren of all ages in outdoor nature activities
- Assist with on-site and off-site family education programs
- Conduct community science projects
