PRAIRIE UP Package

Donated by Benjamin Vogt, Prairie Up

Benjamin Vogt is a local author, teacher, designer, and activist, specializing in native plants and “unlawning” America. His books are bestsellers and amazing resources on the why and how to change your landscape back into prairie.

This package from Benjamin and Prairie Up contains a signed copy of each of his books, a Prairie Up t-shirt, and a gift certificate for the cost of one of his online courses in landscape design with native plants for birds, pollinators, & people.
